

DAY CAMP FOR THE WEEK

Abby Harrell

Brothers: Abby comes to camp with her two brothers Charlie the cockapoo and Peedee the dachshund. They are her best friends and favorite playmates and the three can always be spotted together.

Personality: Little Miss Abby is a sweet girl. She is quiet and shy, but once she gets to know you she becomes a lovebug. She enjoys laptime and cuddles with her counselors and can't get enough love.

Activities: Abby has one favorite activity at camp and that is going down to the grassy playground. She runs, romps, plays chase and rolls in the grass. She always has a blast!
