

# DAYCAMPER OF THE WEEK

## Giovanni "Gio" Uknes

**Counselors:** Of the three brothers, Gio is probably the biggest lovebug. He spends lots of time flirting with the counselors, getting all the rubs, love and kisses he can.

**Personality:** Gio is a happy-go-lucky fellow. He is a pretty mellow guy, but he still loves to frolic and play with all his pals.

**Friends & Family:** Gio loves his two brothers Deano and Nikko. The trio loves to play together, and also spend lots of time squirrel watching. He also has fun bouncing around with day camp pals Milo, Max, Camber, and Lucy.
